**BONNIE DOON
BOWLING LANES
2018/2019**

MESSAGE FROM THE HOUSE

Dear Parents, Coaches, Supporters and Bowlers

We would like to start by saying how proud and honoured we are to have been able to be a part of such a great program and a fantastic group of kids! Every single one of you has given us your Saturday mornings when you could sleep in or your Sunday nights when you could have been out with your friends. You've given us smiles and joyful tears but above everything else, you gave us memories.

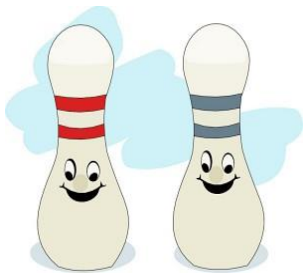

For you graduates, we are so proud to have been part of your childhood and we look forward to having you join one of our adult leagues. For our remaining bowlers, we can't wait to kick things off next September

The world is digital now and because of it, all of you and your achievements, we get to share your success with the whole world! In a time where all of us live buried under the glow of a mobile phone, status updates and tweets, you've produced some of the best "hits" in our social media accounts. Your dedication to the sport of bowling is a big contributor to how successful Bonnie Doon Bowling Lanes has continued to be and there's no way we can thank you enough.

From all of us, we wish you the most memorable summer.

Thank you
Kristi VanKeimpema

"Triumph is just a little umph added to try."

INTRODUCTION

Another year has come and gone. We have seen our bowlers grow in their ability and as a result we have had numerous medals come their way. All good memories! Every year changes something, but two things remain the same – the good sportsmanship and the fun our bowlers have. We are indeed lucky to have such great bowlers, parents and volunteers. This yearbook is meant to recall all the good times we have had.

It's always wonderful to see new faces mixed with the old on the lanes, let's say welcome to those who joined us this year and we hope to see them again next year.

LEARN TO BOWL CLINIC - September 23 and September 30, 2018

We had 7 on September 23rd and 9 on September 30, 2018. Some were new bowlers and some were switching to one hand, so we worked on the basics and had some fun. I would like to remind the bowlers and parents that this is not just a clinic for new bowlers but also for those wishing to change from two hands to one or just review their basics. It is also an opportunity for bowlers to get a little one on one coaching time. Thank you to the coaches who assisted and bowlers and parents who took the time to come.

NATIONAL FUNDRAISING - CHOCOLATE DRIVE - 2018/19

Another year of fund raising has come and gone. The dreaded Chocolate Drive! Did you know that this is the only major fundraiser YBC holds? Money from this drive provides many things for the bowlers in YBC, and yet it is one that has the least participation. As an incentive to sell the chocolates, for every 2 cases sold, your name is entered automatically in the National Fund Draw. Thanks to everyone who sold chocolates. Many hands do indeed make the work easier and the nice part is that we all benefit.

FUNDRAISERS

In addition to the usual Chocolate fundraiser, we had 9 others.

Bowlathon Mundare Sausage sales Safeway/ Sobey gift cards Oil Kings Tickets
Poinsettas Comedy Night Pub Night Bowlathon Who Trees

Thanks to everyone who ran these fund raisers and as well the participants.
Every dollar earned goes towards supporting the bowlers.

Every Year we give the youth bowlers an opportunity to involve their “elders” in a fun tournament. A team consists of a youth bowler and his adult partner. There is a great deal of fun between teams as well as the teams themselves. Totals are calculated on 75% of the youth bowlers score and 25% of the adult.

THERE'S NO CRYING IN BOWLING

COACHES CORNER

Hello Bowlers,

As a longtime Coach at Bonnie Doon, I have seen young bowlers go through all the programs and graduate. It has been wonderful to watch them grow and move on to Adult league. It is hard to believe that some of the young people I coached as Bowlasaurus are now becoming Coaches themselves. Those of us who have coached for years are so very proud to see this. We are also seeing new bowlers coming in behind them that are just as determined and good as they were. Good Luck to all the graduating bowlers, new coaches and new bowlers of course. Thank you for allowing me to be a small part of your lives and successes.
